DECLARATION UNDER RULE 37 C.F.R. 1.132

Sir:

I, Jean-Francois Morin, of 124 Jacques-Marete, St-Augustin-de-Desmaures, Quebec, G3A 0A3, Canada, do hereby declare that:

1. I am a joint inventor named in U.S. Patent Application 10/573,883 filed on September 29, 2004.
2. I was also one of the inventors of U.S. Patent 6,630,254, published as U.S. 2003/0008172. I also have knowledge of the contributions of Mario Leclerc to the invention described in U.S. Patent 6,630,254.
4. The portions of U.S. Patent 6,630,254 which teach the concepts disclosed in claim 4 and claims 9 to 15 of U.S. Patent Application 10/573,883 are portions to which Mario Leclerc and I alone contributed. Those portions of U.S. Patent 6,630,254 are therefore not portions filed by another when considering claim 4 and claims 9 to 15 of U.S. Patent Application 10/573,883.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that

these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
